Meg Hanington and Genevieve Thayer

Al Berkeley

United Way - Strike Out Hunger

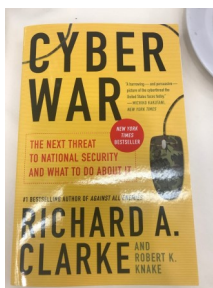

Installation dinner

Beacon Partners

06/07/2019 — Our luncheon speakers on Friday were Meg Hanington and Genevieve Thayer with Beacon Partners. They help executives, leaders and teams work more effectively using the principles of Emotional Intelligence. They can help organizations measure their emotional quotient and guide them to improve their ability to lead organizations and get the most out of their teams.

Al Berkeley

06/14/2019 - his week our speaker is Al Berkeley. Al Berkeley spoke about the current state of the cyber security challenge. Al has been involved in protecting data, the internet and our national infrastructure since 1996. Al served under the Clinton, Bush, and Obama administrations on the President's National Infrastructure Advisory Council (NIAC).

Al spoke about where threats are coming from in the world and steps that are being taken to help protect our infrastructure and information. Needless to say, this was an eye-opening and scary presentation but

very interesting.

Strike Out Hunger

6/11/2019 - Our club sent a team of members and friends to help pack over 80,000 meals at the Strike Out Hunger event on Tuesday. This effort was part of the United Way of Greater Mercer County program to help end hunger locally.

We were proud to have 12 people work at 2 tables so we could help with this very worthy cause. Hard work but also fun and very satisfying. Hair nets and gloves were to

uniform of the day. The packed meals will go to dozens of local food pantries to help those in need.

Rotary Means Business

6/12/2019 - Rotary District 7475 has been holding business networking event in various parts the district. The most recent one was at Arm & Hammer Park, home of the Trenton Thunder. It was held in the Yankees Club Suite. Everyone had an opportunity to speak about their business and it was a great chance to network.

These meeting are also open to non-Rotarians so contact our club for further details about upcoming events.

Installation Dinner

06/25/2019 — The club held its annual Installation event at the Princeton Marriott on Thursday evening. This is our annual changing of the guard where the 2018-2019 Officers and Board are recognized and thanked for their efforts and we install the 2019-2020 Officers and Board.

Outgoing President Jeff Gradone recognized a few club members for their service during the past year. Incoming President Gerhard Franz was installed by the new District Governor Ray Freaney. Then President Franz addressed the club and identified his goals and aspirations for our club. Always a fun event.

Thanks to all the outgoing Officers and Board and looking forward to another great Rotary year under our new leadership team.

News Around Town
