Golf Day

Membership Presentation

09/09/2019 — Our club hosted a District Membership Seminar last night in Carnegie Center. The seminar was led by District 7475 Membership Chair Jeannie Tsukamoto. There was many clubs represented at this event. Jeannie gave those in attendance the benefit of her experiences and success with growing membership in Rotary.

There were a lot a great ideas discussed but now each club has to take action to expand Rotary so we can serve even more people in each community. Jeannie also shared her passion for Rotary. Thanks to the district and Jeannie for supporting our clubs with this seminar. We continue to be proud to have sponsored some one so committed to the ideals of Rotary and helping people in need.

Stephen Warner

09/13/2019 - We were visited at lunch by representatives of the New Jersey Vietnam Veterans Memorial. Executive Director Sarah Taggart introduced us to the organization and curator Greg Waters took us through a current exhibit.

This exhibit focused on the life of Stephen H. Warner who served in Vietnam and was killed in action in 1971. Greg used the words of Stephen Warner through his correspondence and pictures that documented his time during the war.

Stephen grew up in Skillman, New Jersey and was a journalist and was also opposed to the war. A very moving and interesting story.

Lt. Col. Kirby Robert "Bo" Dennis

9/20/2019 - We welcomed back Lt. Col. Kirby Robert "Bo" Dennis as our luncheon speaker. Col. Dennis is the US Army War College Fellow at Princeton University and spoke about the current state of the Army.

He also spoke about the variety of leadership training and career opportunities available to those who serve and the associated training and certifications that can help later in civilian life.

Princeton Corridor Rotary Club Golf Outing

9/27/2019 - A few of our members and club friends took advantage of the beautiful weather after lunch on Friday and headed out for fellowship and a round of golf. Mercer Oaks was the destination and although a few balls may have been lost and some time was spent on the beach, a good time was had by all!

Community Outreach

October 3, 2019— Princeton Corridor Rotary Foundation will have a table at the Princeton Regional Chamber of Commerce lunch. Rotarians will be there to engage chamber members and raise awareness of the mission and purpose of Rotary. If you are interested in working the table contact Sal Levatino.
