Open Mic

11/4/2022 -This past Friday was an "open Mic" meeting, which means there was no formal speaker but all members had an opportunity to say something to the members attending.

Several of our members took the opportunity to relate a business or work related story, let us know what's going on with their family and also tell us about interesting projects being done by other local Rotary clubs.

These kinds of meetings are always fun and give us an opportunity to know our fellow members better. This meeting certainly achieved that result so thanks to all our members for sharing their experiences with us.

Nancy Sobin

11/11/2022 -Our speaker two weeks ago was Nancy Sobin. She owns Professional Paperwork Services. Nancy and her team help keep he clients organized, bills paid on time and many other similar services.

Nancy was there to help us to stay organized, know what to keep and what to discard. She also gave us some good ideas about how to organize your estate to give your family the information they need. Some of the neglected areas included how to deal with your digital presence as well as having all the information in one place.

These are important ideas to avoid errors and smooth out the process for your family. Thanks to Nancy for giving the club this important information.

Homefront Thanksgiving Baskets

11/18/2022 -Our annual Thanksgiving basket project to support HomeFront happened at that last meeting in November. Shazia Buskens from HomeFront was on hand to update on their activities to help needy families in the area.

Our club members and friends team up to purchase groceries and bring them to the Hyatt. We then pack the food into large laundry baskets, one per family, which we then transport to HomeFront.

It's definitely one of the highlights of our service calendar and controlled chaos but it all gets done. Thanks to all club members and club friends for helping us support a great local organization.

Rotary International—Interact turns 60!

That's 60 years of helping young people develop leadership skills and service projects. Check out the World Interact Week event page to join in on the celebrations.

Rotary Myth Busters

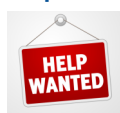

Service Projects:

We are scheduled to help Habitat for Humanity on December 15th in Hightstown. Anyone interested in participating in this service project please contact Mike Pine. Mikepinero-tary@gmail.com

In the evening on December 15th, we will participate in the holiday party at Lifeties. Santa arrives at 5pm. For more information contact Eric Rosenblum. eric@eprresourcesllc.com

Help Wanted: Position Available

The club is looking to form a committee to work on the growth of the combined chapter. The club is in need of 5 or more volunteers to participate on the marketing committee and work on a campaign to help us grow the chapter and renew the spirit and effectiveness of our group. This committee will work on publicity (including this newsletter), marketing, web strategy, event outreach and recruitment strategies. Anyone interested please contact Ed Keenan, ed@documentdepot.net

Also we need someone to serve as newsletter editor and prepare the newsletter beginning in January as our current editor is moving out of state.
