Multi Club event

2/7/2020 — The Princeton Corridor club hosted a large multi-club event at our location on Friday. Our speaker was Pat Ryan, President and CEO of First Bank.

Sixty Rotarians and guests attend this event from clubs in Mercer and adjacent counties to hear Pat give us his perspectives on the banking sector, the future of banking and some thoughts on the overall economy.

St Michael's Orphanage and D&R Greenway Land Trust

2/14/2020 - Our guest speakers were Josephine Allen and Nancy Faherty. Josephine was there to share some of her experiences when she lived in the St. Michael's Orphanage formerly located in Hopewell.

The building is not there anymore but Josephine gave us some insights into her life there and shared some very moving stories about her and other children who lived there. We thank her for sharing part of her life experiences with our club.

More recently the D&R Greenway Land Trust has established some tours and a phone app that will do a guided tour of these trails and the history of the orphanage. Nancy Faherty, from the D&R organization, briefly talked about the development of these trails and app.

Ed Keenan bio

2/21/2020 - This week our speaker was our newest member, Ed Keenan. Ed owns Document Depot located in the Forrestal Village. They are commercial printers who produce high quality marketing and other printed material of all types.

Ed told us about his journey to where he is now and shared some of his life lessons and background for his career and current business.

Each member of our club has the opportunity to give a bio talk at a luncheon where we can get to know each other and build a better, closer club.

Toastmasters

2/28/2020 – Although our meeting last Friday was our monthly business meeting, we did have a guest to speak to our club. Marianne Grady from Toastmasters was there to talk about the programs they offer.

Rotary International and Toastmasters have recently created a strategic alliance focused on developing programs to enhance public speaking and leadership skills, tailored to leaders in Rotary.

Past President Sal Levatino introduced Marianne who was there to introduce some of those programs and invite members to attend one of the Toastmasters meetings.

Installation Reception

World Peace and Understanding Day. On 23 February 1905, was the very first Rotary meeting that Paul Harris, Gustavus Loehr, Silvester Schiele, and Hiram Shorey gathered at Loehr's office in Room 711 of the Unity Building in downtown Chicago. The anniversary is known as "World Peace and Understanding Day."
