Chamber luncheon

3/5/2020 — Our Club and Foundation had a table at the Princeton Mercer Regional Chamber lunch last Thursday. As proud non-profit members of the chamber we periodically staff a table to raise awareness of the good works of Rotary and our club.

Each month at the luncheon, the chamber has several non-profit members staff a table in order to raise awareness. It turns out that at this lunch our club supported. either financially or through volunteers or both, most of the other non-profits represented. So we are all truly a community for doing good.

K-9 Unit

3/6/2020 -We had some very special guest at our Friday luncheon. The K-9 unit of the Princeton Police Department were well represented. Sgt. Matt Solovay, Officer Steve Lattin and K-9 Officer Harris all joined us.

We learned about how the K-9 unit assists with various kinds of searches, including explosives and drug detection as well as some background on the special training and history of the Princeton K-9 unit.

We were then treated to a demonstration of how Officer Harris goes about his work sniffing out explosives. He did not let the smell of our lunch get in his way so a job well done.
