Thanksgiving Baskets

Holiday Ornaments

## Homefront Diaper Drive

11/2/18 - We welcomed Sarah Steward, Chief Operating Officer of Homefront, to our lunch on Friday. Sarah gave us an update on the activities of the organization as well as some history and their mission. Sarah also spoke about the recent diaper drive project and the need for this in the local community.

Our club has had a long relationship with Homefront and, in addition to thousands of diapers, we were able to raise an additional \$1,000 to further support this project.

## Splash Steamboat Floating Classroom

11/9/18 - Our luncheon speakers this week were Eric Clark and Janet Peterson representing Splash Steamboat Floating Classroom. This group uses a steam powered boat to teach about the science in around the Delaware river.

They hold classes in a variety of subjects all focused on water quality, river wildlife and how the river eco-system functions. Classes are mainly elementary school children but they also do bird watching and other kinds of tours along the river.

## Thanksgiving Baskets

11/16/18—As is our club tradition every year, our members come together to create Thanksgiving baskets to support the Homefront food drive for needy families and individuals.

This year we put together and delivered 19 baskets of food which include all the fixings for a Thanksgiving meal. We also received participation from 2 friends of our club who generously supported this effort so thanks to Allison Scharf and Jeff Appelson for their support.

If you would like to participate in any upcoming projects please contact our club at 609-285-3532

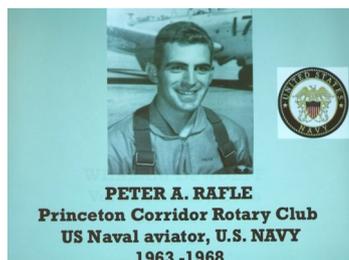

## Fundraising Opportunity

11/18 - The Princeton Corridor Rotary Club has launched a fundraiser to benefit Eden Autism Services. Holiday ornaments were made and donated by artisan Karl Heinz Gartlgruber in partnership with our club and are for sale to benefit Eden. The ornaments were fashioned in the Austrian old-world design process, made of bees wax and packaged by children and adults with autism.

There are two styles of ornament for sale and each package of 5 ornaments are \$20 per package. All proceeds will go to support Eden and their important work of providing services to children and adults with autism, and their families. Please contact our club or one of our members to participate in this fundraiser. Thank you for your support.

## News Around Town

**PETER A. RAFLE**  
Princeton Corridor Rotary Club  
US Naval aviator, U.S. NAVY  
1963 -1968

November 12, 2018— District 7475 held the annual Eat, Drink and Share event the day after Veterans Day on November 12. As part of that event they recognized and honored veterans within the district and one such honoree was our club member Peter Rafle.

Peter served as a U.S. Naval Aviator from 1963-1968 during the Vietnam War. We thank you for your service and are proud and honored to have you among our members.

2018- Our club recently contributed to the organization Animal Friends for Education and Welfare (AFEW) in East Windsor. This project was lead by our member Linda Kibrick. This money permitted them to build a needed storage facility on the grounds of their adoption site.
